The parish councillors wish you all a very happy 2024.

Thank you to all residents that attended the solar appeal hearing in late November. It may be several months before the inspector comes to a decision. We will keep you posted.

Thank you to all residents that helped organise local Christmas events, including the Christmas Trees. Thank you to those local families and businesses that gave good deals in providing time, equipment, trees and decorations. Thank you to those that rescued the Sinton Green tree from the effects of the rough weather!

Project update - Moseley bend. Worcs County Council and Highways have agreed to install some additional signage at the sharp bend on Moseley Road near Holywards Farm. This will be in the form of a yellow backed chevron board for both directions. This is after much community effort involving residents, our county councillor Scott Richardson Brown, our district councillor Dean Clarke, our parish councillors and our PCSOs at West Mercia Police. Options for a vehicle activated sign (VAS) were ultimately not permitted on this national speed limit road, even though the parish council agreed to purchase a unit and be responsible for maintenance. Vehicle activated signs might only be deployed once it is clear that the problem cannot be remedied by improving fixed signing and once subsequent monitoring suggests no other remedy - hence the current plan.

It is important that residents continue to report all vehicle accidents to the police non-emergency number (101 or via the West Mercia website). Reporting each and every incident helps us to build up evidence to justify projects such as the above.
